

JOB DESCRIPTION – RESEARCH COORDINATOR
(To be read in conjunction with the Person Specification)
Integrated Wellbeing Service
Noah’s Ark Centre Therapeutic Services

LOCATION:	Noah’s Ark Centre, 322-326 Ovenden Road, Halifax, HX3 5TJ and allocated community venues.
POST:	Research Coordinator (Integrated Wellbeing Service)
RESPONSIBLE TO:	Therapeutic Services Manager or in their absence the Senior Therapeutic Services Coordinator
SALARY:	£33, 540pa pro rata; Fixed Term for 12mths with the possibility of extension subject to available funding
HOURS:	20 hours per week
START DATE:	To be discussed at interview
OUTLINE OF POST:	<p>To co-ordinate and implement the ‘action research’ element of this service by regularly attending relevant community settings and services to collect and collate stakeholder views ‘on the ground’; partake in local forums, run focus groups, undertake surveys and interviews with young people, families and professionals in community services.</p> <p>To specifically work closely with the Integrated Wellbeing Service Coordinator and Service Managers, bringing forward their observations and collated feedback to inform reflections of service delivery, ongoing and future planning of service delivery, and support service reporting.</p> <p>To support and complement the Therapeutic Services Manager, other Service Coordinators, Therapeutic Practitioners, the Money Advice Service staff, administrative staff, other project staff and Board of Trustees in progressing the development of Noah’s Ark Centre.</p>
ORGANISATIONAL EXPECTATIONS:	
Noah’s Ark Centre aims to provide high quality therapeutic services adhering to the principles of best practice, promoting equal opportunities and client autonomy, always work positively with diversity; whilst adhering to the Ethical Framework of the British Association of Counselling and Psychotherapy, individual’s rights to confidentiality and data protection, and the need for appropriate safeguarding of children, young people and vulnerable adults.	
We expect all employees to carry out their duties in a professional manner with a client focus, ensuring that respect and courtesy is shown to them, colleagues, other service providers and all those in contact with the organisation. We expect employees to deliver a flexible, creative, person-centred approach to supporting individuals, focusing on developing trusting relationships to improve service user’s abilities to relate with other people.	
We expect all staff to work together to deliver a comprehensive infrastructure for the efficient and effective delivery of our Therapeutic, Counselling, Wellbeing and Advice Services.	
To ensure that together with all staff and management that the required record keeping, data management, and reporting is carried out to the satisfaction of the Board of Trustees.	
ORGANISATIONAL RESPONSIBILITIES:	

1.	To support Noah's Ark Centre's Designated Safeguarding Team in their roles as the organisations Safeguarding Leads, ensuring compliance with Safeguarding requirements by following safeguarding policies and procedures and keeping up to date with appropriate training.
2.	To work with and communicate effectively to all Noah's Ark Centre's management team and attend team meetings.
3.	To support the Therapeutic Services Manager and Therapeutic Practitioners around client risk in respect of children, young people and adults accessing the counselling/psychotherapy work delivered by the post holder at Noah's Ark Centre.
4.	To ensure that the aims, objectives and funding goals of the Noah's Ark Centre Therapeutic Services are met.
5.	To support the governance of the organisation, including attending Board of Trustees meetings as required, AGM, Annual Report, and liaise with statutory bodies as required.
6.	To ensure compliance with regulations governing the delivery of Counselling and Therapeutic services and to always ensure that we adhere to the Ethical Framework of the BACP and GDPR.
7.	To deal with complaints and incidents in line with Noah's Ark Centre's Policies and Procedures.
8.	To reflect on practice and participate in team meetings, practice development, continuous professional development opportunities provided and peer supervision group meetings wherever possible.
9.	To ensure that Noah's Ark Centre uses a range of techniques and interventions to support people to achieve an appropriate outcome.
10.	To support the implementation of Noah's Ark Centre's strategic priorities and ethos within the delivery of its therapeutic services.
11.	To ensure Noah's Ark Centre's policies and procedures are adhered to and inform practice and development when performing the job role.
ROLE RESPONSIBILITIES:	
12.	To plan and design surveys, semi-structured interviews and evaluation forms for use in the field with service users (children, young people and adults), their families and professionals in the community.
13.	To deliver focus groups, interviews and surveys with service users and professionals
14.	To collate data and create digestible bitesize reports to contribute to ongoing service planning and delivery
15.	To ensure external evaluators of the service, appointed by the funder, are supported in undertaking their evaluations with relevant stakeholders
16.	To compile a conclusive report of findings throughout the project to support and contextualise the service evaluation, providing learning outcomes and a possible template for other services to utilise according to other geographical areas of need.
17.	To support the service coordinator and managers as necessary with the supervision and motivation of service staff, including their involvement in relevant development and training programmes, identifying training and continuous professional development needs for service staff to ensure a high-quality service.
18.	To support the service coordinator and managers as necessary with the recruitment of paid staff, students, volunteers and outsourced contractors in the management of the service.
19.	To ensure that all relevant statistical information and data is efficiently collated as required for these key responsibilities.
20.	To perform this job role whilst working out in the community at partner venues as

	well as at the Noah's Ark Centre, adhering to agreed partner service's policies and procedures whilst doing so. To represent Noah's Ark Centre in a knowledgeable and professional manner at all times whilst working out in the community.
21.	Any other duties commensurate with the grade and level of responsibility of this post.
Please note this job description is not intended to be exhaustive. The post holder will be expected to adopt a flexible approach to the tasks, which may be varied from time to time, following discussion with line management and/or the Board of Trustees. Any variations will be subject to the operational requirements of Noah's Ark Centre and will be in keeping with the general profile of the post.
