Why counselling?

We all experience times when life seems unmanageable.

Counselling offers you the space and time you need to explore issues that are important to you.

Things like: anxiety, family breakdown, depression, debt, relationships, confidence, bereavement, abuse, childhood issues, low self-esteem, loneliness, obsession, anger, fear, or anything else that may be troubling you.

What is counselling?

- A confidential safe space to be listened to, and to explore issues and feelings with a person who neither judges or offers advice.
- It can be an opportunity to explore early relationships to discover how you learnt to relate to others, and to deal with issues. This helps you to decide what you want to keep the same and what needs to change.
- Whatever approach the counsellor uses; client autonomy is the ultimate aim, for you the client to make your own choices and put them into action.

Our counsellors

Our team of counsellors are trained in a range of therapeutic approaches. Noah's Ark Centre is an organisational member of the British Association for Counselling and Psychotherapy

Costs

The cost of counselling will vary according to your age, the service you require, and your financial circumstances. Please see the back page for more details.

Children & Young People

We offer counselling/psychotherapy to young people aged 11-21, and therapeutic play to children aged 5-11. For children we ask for a commitment to 12 sessions; for young people we advise a commitment to 12 sessions, and an understanding they may require up to a maximum of 24 sessions.

What happens when I ring Noah's Ark Centre?

Please phone our counselling team for an initial chat, on 01422 300457. If appropriate, we will take referral details for all services. For counselling, we will invite you in for an initial assessment. This lasts for about an hour and is a chance for you to find out more about what Noah's Ark Centre can offer and for us to learn more about you and what's bringing you to counselling.

If you live in Calderdale, we do not charge for the initial assessment, but would ask you to make a donation to Noah's Ark Centre. If you are happy to go ahead with counselling, we will aim to place you as soon as possible, with a counsellor that we feel is appropriate to your needs. All clients will enter into a contract with Noah's Ark Centre and their counsellor, which will be reviewed at least every six sessions or sooner at the client's request.
